We were fortunate to buy this cow at the Mosser dispersal sale. This cow is behind some of the best horn pedigrees in the industry. She produced a knock out heifer in 2014 at the age of 17 years old and she also produced several embryo calves that we plan to keep in our herd long term.

We own three females that are out of Working Woman which are or will be 80" T2T at a young age. Working Woman well earned her reputation of being hard to
