Bojangles, is one of those animals that you just get excited thinking about. As he has the potential to be something great! His is a big, strong bodied bull with the color to back it up. His sire is MC Hangin" Tuff who was the second bull ever to hit 100" TTT, which speaks for itself. Bojangles' dam is M.C. Bertha, a big bodied, correct cow full of color that passes the color to her calves. That color comes from her sire MC Super Rex. A bull well
