

## MISTED OVER

**Date of Birth:** 04/09/2003  
**Registration 1:** C287139  
**Owner:** Randy & Miki Bienek

*Courtesy of Rollin B Ranch*

This gorgeous blue roan cow is the apex of historic longhorn genetics. She has the show stopping color and the rare corkscrew, and she is the beauty of the longhorn breed that we all strive to produce. On top of all that she has the sweetest disposition and will eat from your hands.

**TTT:** 74.5000 on 11/07/2020
