Great Producer bred by the Gentleman Breeder Joe Valentine. This wonderful cow has been a steady producer for us, calving like clock work and she has more than earned her keep for she has brought in more than \$50,000 in the sale of her progeny alone over the years. Her beautiful Dam "PC Miss Dixie Classic" was one of the first cows that we ever sold as a cash cow, she brought \$11,250 and was sold at the 2011 Midwest Sale to Red
