Lots of eye appeal on this half sister to ST All Star MVP. Mid 80's TTT with a great twist. She came with a heifer at side from Garlands Big Tex and bred back for a spring BR Jungle Jim calf in 2023. Jungle Jim should be the first 100" TTT bull in the breed that has no Cowboy Tuff Chex type genetics.

TTT: 85.5000 on 08/05/2023
Composite: 83.7500 on 07/09/2022
