08/09/2016 Date of Birth: Registration 1: CI300834 Owner: G3 Ranch

This young cow is amazing! Her offspring are great as well, she carries the wild gene and throws amazing color. We have sold a halter trained steer off of her and a herd sire. This is the kind of cow you want in your herd one you can sell any of her offspring. She has a beautiful paint heifer at side by our young herd sire G3 Zane.
