DSCC Cowboy Flair is an awesome herd sire. He is a 3x Horn Showcase Champion having won all three classes at 3 years old. He is very correct, has flawless conformation, and is a big boy all around. He is the son of the longest bull of all-time, Cowboy Tuff Chex. He measured 41" tip-to-tip on his first birthday and now measures 90.25” tip-to-tip. His first four calf crops have hit the ground and they are awesome! He’s throwing a lot
