This phenomenal female is adding horn by the day. She has measured over 84" T2T 4 days prior to her 3rd birthday! Her dam JL BIRDY-BAR TLBAA #: C281572 is sired by JL BARACADE (VJ Tommie x Gentle Persuasion) and the dam of her is LCP LADY BIRD (Phenomenon x Delta Nicole) this is a fantastic example of butler breeding out crossed for horn explosion.
