I have built my herd around this beautiful cow! This is a spectacular cow to build a program around. She measured 87.75" T2T on 5/7/2019 and has a beautiful lateral twist. Being in her prime she could make the coveted 90" T2T mark. She is a show stopper cow and front pasture all the way. We have 5 heifers from her and 1 bull. This cow is an absolute show stopper! She is a producer all the way!
