

G3 CELEBRITY SNAPSHOT

Date of Birth: 05/18/2017 Registration 1: CI305712 Owner: G3 Ranch

This cow raises a huge calf and stays in shape while doing it. She is one of the first cows to greet you in a pasture, easy to work and loads right up. Her dam is a milking machine and we believe she will carry that gene. Her dam and sire are both in the 80ttt. Don't just think of her as a plan red cow! Unfortunately she did tip a horn and lost about 4 inches or so. This doesn't change the fact that she still raises amazing calves.
