This ICON OF RM daughter is robust in every way. She was born just a few days after our daughter's birthday and was named by her. Just look at her Dam and the LOADED PEDIGREE on top and bottom. Her Grand Dam is almost 96"TTT and a half sister by sire to 3S DANICA'S Dam at over 100"TTT. Tavia is a gentle soul with large body, best disposition, color, and a beautiful horn set. We love her so much.
