Iron is about as gorgeous and correct as they come. A big bodied gal who's a great milker and an excellent attentive mother. She's a tall, beautiful brindle and white who's produced several knockout heifers and amazing herd sires. She's part of Club 90 and making her mark as one of the best Drag Iron daughters out there in size, color, production, and horn. She's a futurity winner and a production powerhouse.
