BR Snakebite (BR Cracker Jack X Star's Dream Catcher) is a full sister to the 2nd fastest growing heifer to reach 90" TTT(3y5m)— BR Dream On. This record will obviously get shorter as the industry matures but still, the genetics are elite. Three relatively old school animals on the bottom side played a big role in combining with BR Cracker Jack to produce amazing horn— Star's Dream Catcher, Mile Marker and The Shadow.
