

Horn Wine

Date of Birth: 04/08/2018
Registration 1: 284103

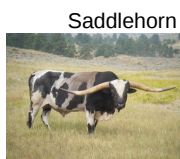

Courtesy of Rocking M Cattle Company

Horn Wine is a leading Homozygous black and white herd sire. That means he CANNOT throw red pigments...black is a guarantee. We use him heavily, and not just due to his color. He's the biggest and tallest Saddlehorn son we are aware of and still growing. Over Kill is on the bottom...he's serious. A.I. Certified, Semen available.
