HD John Wayne aka "Johnny" was born and raised at 7500 feet in the mountains of Northwest Colorado. We like thin air around here and hence, we proudly present our thin air offering. There will only be 200 straws ever sold off of Johnny with the first offering being right here at the Horn Showcase that he has won bronze at the last two years. If you put trust into our program, we want you to enjoy the value of limited offspring. Johnny is an own
