From the great breeding program of the Dickinson family. "Smokin Iron" the daughter the great "Drag Iron, 90 TTT" has added a good structure because of his over one-ton frame, but also adds long massive swooping horns.

Smokin Iron is a granddaughter of WS "Jamakizm with 81 TTT" and "Coal Smoke", a great-granddaughter of the great "Senator" and "Shadowizm." Great cow for great

**TTT:** 73.0000 on 11/11/2022
