A beautiful Rebel HR daughter from the Harrell Ranch who goes back to Top Caliber on the bottom side! She has a nice laid back horn set, a trait that she passes onto her calves consistently. She is a great milker who produces a big calf every time & she is as gentle as could be! Her last calf is being retained as a potential future herd sire! Currently bred to 1942 Chex.

Total Horn: 80.5000 on 04/21/2022
TTT: 71.0000 on 01/31/2023
